# I made a website!

*(It's not quite that bad.)*

Like all websites, it's eternally under construction.

under**construction**

## Basic Text Formatting

```
1 \b{Bold text!}
2 \it{Italic text!}
3 \b{\it{Commands can nest! Bold and italic text!}}
4 \s{Strike through}
5 \u{Underlined text}
6 \tt{Teletype-style text}
7 \sub{subscripts}
8 \sup{superscripts}
9 \big{bigger text}
10 \small{smaller text}
11
12 New paragraphs are started by a blank line.
13 Whitespace is usually ignored.
14 Non-breaking spaces via \_.
15 \_{8} will give you 8 non-breaking spaces.
```
